The first half will be a crash course in financial literacy. We will learn advantages and disadvantages of using credit, learn ways to establish credit, discuss safe debt loads, and the actions to take when you're in financial trouble. The second half, everyone will DIY their own Budget Binder. We'll use scrapbook paper, stickers, laminators, and clear zippered pouches. This is based on Dave Ramsey's cash envelope system. This will be a useful tool in learning to budget your money!
