Grandma Gatewood's Book Discussion **Hike**

Tuesday, July 23, 8:00 AM

Join us for a book discussion adventure! The book is *Grandma Gatewood's Walk: The Inspiring Story of the Woman Who Saved the Appalachian Trail*, by Ben Montgomery. Emma Gatewood told her family she was going on a walk and left her small Ohio hometown with a change of clothes and less than two hundred dollars. The next anybody heard from her, this genteel, farm-reared, sixty-seven-year-old great-grandmother had walked 800 miles along the 2,050-mile Appalachian Trail.

Meet at Mammoth Cave National Park to discuss the book and hike the Heritage Trail, a half-mile, accessible trail with a beautiful view of the Green River Valley. Wear sturdy shoes and bring your own water bottle. We will start at 8am to try to beat the heat! Grab your book and further instructions at the main desk at the library beginning June 17.
