

## **Story Time Announcement:**

After much consideration, the Youth Department at Mary Wood Weldon Memorial Library will transition Tater Tot Tuesday, Book Sprouts Thursday, and Super Saturday Story Time to our virtual options for the next 2 weeks. Starting Tuesday, September 7th through Saturday, September 18th these programs will be conducted via Zoom and Facebook live. We are hopeful that we can all safely be together soon, but our younger readers' health is our utmost concern. After this 2 week period, the Youth Department will make another announcement about how we will continue with our programming. We want to ask for patience as we assess the current situation in our community, and we thank you for your understanding.

## **Here's how the virtual story times will work:**

The story times will take place live via Zoom. In order to get the Zoom meeting information, you will need to register through our events calendar on our website and Ms. Kelly will send you the Zoom meeting link. The Zoom meetings will take place at the same time and day as the regularly scheduled story times. On Zoom, we will be able to interact with each other as we read and do our activity together.

At the time of this announcement, we have the names of everyone who has already registered through our events calendar. Starting Saturday, September 4th, those that have already registered (as of Friday, September 3rd at 7:30 AM) will have a kit reserved for them for each story time they have registered for, and can pick up a story time activity kit for these 2 weeks of virtual programming at the library either through the drive thru or inside the building. The remaining story time activity kits will be first come first served for anyone who has not already registered. If you still want to attend our virtual story time, you will still need to register on our events calendar in order to receive the link to the Zoom meeting. You are welcome to attend our story time even if you do not get a story time activity kit.

If there are any questions about our virtual story times, please reach out to Ms. Kelly at 270-651-2824 or email at [kbowles@weldonpubliclibrary.org](mailto:kbowles@weldonpubliclibrary.org).
